and Family Website!

Our website provides  
the following resources  
to support you and  
your child in the home.

## Mini Parent Crash Courses

You will find parent mini courses that teach foundational skills in reading which you may watch at your convenience.

Each video is divided into different skills that your child will also be learning in the classroom. These videos teach foundational and crucial concepts of learning to read in English that support you in answering any questions or helping with any reading homework or practice your child might have.

## Home Resources

You will also find informative and helpful resources, such as how to best support your child who is learning the English language and information and expectations of Customary Celebrations in US schools.
